Be Our Voice!

Project Title	Be Our Voice!
Project Slimmary	Seeking energetic and driven intern(s) to help generate creative, interactive content to promote topics important to women working in technology.
Country	Turkey

Project Description

The Department of State uses Microsoft Teams software as one of the platforms for employees to connect, share and distribute information on specific topics. We are seeking an Intern to help us develop engaging content for our "Women In Technology" site to attract employees to our Team. Tasks may include locating inspiring articles about women in the field of technology, creating videos or content to promote individual accomplishments. Technical knowledge is not required beyond standard use of computers and social media sites. Some content may also be cross-posted to other platforms.
